

121  
By his Excellency the Lord  
*General.*

**W** Hereas several souldiers, who have for  
high Misdemeanors done to the preju-  
dice of the people, and dishonor to the  
Army, been cashiered the Army; notwithstanding  
afterwards have got themselves listed into other  
Regiments, and broke into the like misdemea-  
nors, so as the cashiering of such souldiers hath  
been of little use to purging the Army of lewd  
and disorderly persons. These are therefore to  
desire and require all Officers, after publication  
hereof, that they list not into any Troop or Com-  
pany, any souldier, unless he bring with him a  
credible Ticket, that he hath not formerly been  
cashiered, and also of his former good behaviour.

Given under my hand and Seal,  
the 23 of *Iuly*, 1649.

  
*T. Fairfax.*
